Subparts F–H [Reserved]

Subpart I—Snapper-Grouper Fishery of the South Atlantic Region

§ 622.170 Permits and endorsements.

(a) *Commercial vessel permits*—(1) *South Atlantic snapper-grouper*. For a person aboard a vessel to be eligible for exemption from the bag limits for South Atlantic snapper-grouper in or from the South Atlantic EEZ, to sell South Atlantic snapper-grouper in or from the South Atlantic EEZ, to engage in the directed fishery for golden tilefish in the South Atlantic EEZ, to use a longline to fish for South Atlantic snapper-grouper in the South Atlantic EEZ, or to use a sea bass pot in the South Atlantic EEZ between 35°15.19' N. lat. (due east of Cape Hatteras Light, NC) and 28°35.1' N. lat. (due east of the NASA Vehicle Assembly Building, Cape Canaveral, FL), either a commercial vessel permit for South Atlantic Unlimited Snapper-Grouper Permit or a trip-limited permit for South Atlantic snapper-grouper must have been issued to the vessel and must be on board. A vessel with a trip-limited commercial permit is limited on any

trip to 225 lb (102.1 kg) of snapper-grouper. See § 622.171 for limitations on the use, transfer, and renewal of a commercial vessel permit for South Atlantic snapper-grouper.

(2) *Wreckfish*. For a person aboard a vessel to be eligible for exemption from the bag limit for wreckfish in or from the South Atlantic EEZ, to fish under a quota for wreckfish in or from the South Atlantic EEZ, or to sell wreckfish in or from the South Atlantic EEZ, a commercial vessel permit for wreckfish and a commercial permit for South Atlantic snapper-grouper must have been issued to the vessel and must be on board. To obtain a commercial vessel permit for wreckfish, the applicant must be a wreckfish shareholder; and either the shareholder must be the vessel owner or the owner or operator must be an employee, contractor, or agent of the shareholder. (See § 622.172 for information on wreckfish shareholders.)

(b) *Charter vessel/headboat permits*—(1) *South Atlantic snapper-grouper*. For a person aboard a vessel that is operating as a charter vessel or headboat to fish for or possess, in or from the EEZ, South Atlantic snapper-grouper, a valid charter vessel/headboat permit for South Atlantic snapper-grouper must have been issued to the vessel and must be on board. A charter vessel or headboat may have both a charter vessel/headboat permit and a commercial vessel permit. However, when a vessel is operating as a charter vessel or headboat, a person aboard must adhere to the bag limits. See the definitions of “Charter vessel” and “Headboat” in § 622.2 for an explanation of when vessels are considered to be operating as a charter vessel or headboat, respectively.

(2) [Reserved]

(c) *Dealer permits and conditions*—(1) *Permits*. For a dealer to first receive South Atlantic snapper-grouper (including wreckfish) harvested in or from the EEZ, a Gulf and South Atlantic dealer permit must be issued to the dealer.

(2) *State license and facility requirements*. To obtain a dealer permit or endorsement, the applicant must have a valid state wholesaler's license in the state(s) where the dealer operates, if

required by such state(s), and must have a physical facility at a fixed location in such state(s).

(d) *Permit procedures.* See § 622.4 for information regarding general permit procedures including, but not limited to application, fees, duration, transfer, renewal, display, sanctions and denials, and replacement.

(e) *South Atlantic black sea bass pot endorsement.* For a person aboard a vessel, for which a valid commercial vessel permit for South Atlantic snapper-grouper unlimited has been issued, to use a black sea bass pot in the South Atlantic EEZ, a valid South Atlantic black sea bass pot endorsement must have been issued to the vessel and must be on board. A permit or endorsement that has expired is not valid. This endorsement must be renewed annually and may only be renewed if the associated vessel has a valid commercial vessel permit for South Atlantic snapper-grouper unlimited or if the endorsement and associated permit are being concurrently renewed. The RA will not reissue this endorsement if the endorsement is revoked or if the RA does not receive a complete application for renewal of the endorsement within 1 year after the endorsement's expiration date.

(1) *Initial eligibility.* To be eligible for an initial South Atlantic black sea bass pot endorsement, a person must have been issued and must possess a valid or renewable commercial vessel permit for South Atlantic snapper-grouper that has black sea bass landings using black sea bass pot gear averaging at least 2,500 lb (1,134 kg), round weight, annually during the period January 1, 1999 through December 31, 2010. Excluded from this eligibility, are trip-limited permits (South Atlantic snapper-grouper permits that have a 225-lb (102.1-kg) limit of snapper-grouper) and valid or renewable commercial vessel permits for South Atlantic snapper-grouper unlimited that have no reported landings of black sea bass using black sea bass pots from January 1, 2008, through December 31, 2010. NMFS will attribute all applicable black sea bass landings associated with a current snapper-grouper permit for the applicable landings history, including those reported by a person(s) who held the

permit prior to the current permit owner, to the current permit owner. Only legal landings reported in compliance with applicable state and Federal regulations are acceptable.

(2) *Initial issuance.* On or about June 1, 2012, the RA will mail each eligible permittee a black sea bass pot endorsement via certified mail, return receipt requested, to the permittee's address of record as listed in NMFS' permit files. An eligible permittee who does not receive an endorsement from the RA, must contact the RA no later than July 1, 2012, to clarify his/her endorsement status. A permittee denied an endorsement based on the RA's initial determination of eligibility and who disagrees with that determination may appeal to the RA.

(3) *Procedure for appealing black sea bass pot endorsement eligibility and/or landings information.* The only items subject to appeal are initial eligibility for a black sea bass pot endorsement based on ownership of a qualifying snapper-grouper permit, the accuracy of the amount of landings, and correct assignment of landings to the permittee. Appeals based on hardship factors will not be considered. Appeals must be submitted to the RA postmarked no later than October 1, 2012, and must contain documentation supporting the basis for the appeal. The RA will review all appeals, render final decisions on the appeals, and advise the appellant of the final NMFS decision.

(i) *Eligibility appeals.* NMFS' records of snapper-grouper permits are the sole basis for determining ownership of such permits. A person who believes he/she meets the permit eligibility criteria based on ownership of a vessel under a different name, for example, as a result of ownership changes from individual to corporate or vice versa, must document his/her continuity of ownership.

(ii) *Landings appeals.* Determinations of appeals regarding landings data for 1999 through 2010 will be based on NMFS' logbook records. If NMFS' logbooks are not available, the RA may use state landings records or data for the period 1999 through 2010 that were submitted in compliance with applicable Federal and state regulations on or before December 31, 2011.

(4) *Transferability.* A valid or renewable black sea bass pot endorsement may be transferred between any two entities that hold, or simultaneously obtain, a valid South Atlantic snapper-grouper unlimited permit. Endorsements may be transferred independently from the South Atlantic snapper-grouper unlimited permit. NMFS will attribute black sea bass landings to the associated South Atlantic snapper-grouper unlimited permit regardless of whether the landings occurred before or after the endorsement was issued. Only legal landings reported in compliance with applicable state and Federal regulations are acceptable.

(5) *Fees.* No fee applies to initial issuance of a black sea bass pot endorsement. NMFS charges a fee for each renewal or replacement of such endorsement and calculates the amount of each fee in accordance with the procedures of the NOAA Finance Handbook for determining the administrative costs of each special product or service. The fee may not exceed such costs and is specified with each application form. The handbook is available from the RA. The appropriate fee must accompany each application for renewal or replacement.

(f) *South Atlantic golden tilefish longline endorsement.* For a person aboard a vessel, for which a valid commercial vessel permit for South Atlantic snapper-grouper unlimited has been issued, to fish for or possess golden tilefish in the South Atlantic EEZ using longline gear, a South Atlantic golden tilefish longline endorsement must have been issued to the vessel and must be on board. A permit or endorsement that has expired is not valid. This endorsement must be renewed annually and may only be renewed if the associated vessel has a valid commercial vessel permit for South Atlantic snapper-grouper unlimited or if the endorsement and associated permit are being concurrently renewed. The RA will not reissue this endorsement if the endorsement is revoked or if the RA does not receive a complete application for renewal of the endorsement within 1 year after the endorsement's expiration date.

(1) *Initial eligibility.* To be eligible for an initial South Atlantic golden

tilefish longline endorsement, a person must have been issued and must possess a valid or renewable commercial vessel permit for South Atlantic snapper-grouper that has golden tilefish landings using longline gear averaging at least 5,000 lb (2,268 kg), gutted weight, over the best 3 years within the period 2006-2011. NMFS will attribute all applicable golden tilefish landings associated with a current South Atlantic snapper-grouper permit for the applicable landings history, to the current permit owner, including golden tilefish landings reported by a person(s) who held the permit prior to the current permit owner. Only legal landings reported in compliance with applicable state and Federal regulations are acceptable.

(2) *Initial issuance.* On or about April 23, 2013, the RA will mail each eligible permittee a golden tilefish longline endorsement via certified mail, return receipt requested, to the permittee's address of record as listed in NMFS' permit files. An eligible permittee who does not receive an endorsement from the RA, must contact the RA no later than May 23, 2013, to clarify his/her endorsement status. A permittee who is denied an endorsement based on the RA's initial determination of eligibility and who disagrees with that determination may appeal to the RA.

(3) *Procedure for appealing golden tilefish longline endorsement eligibility and/or landings information.* The only items subject to appeal are initial eligibility for a golden tilefish longline endorsement based on ownership of a qualifying snapper-grouper permit, the accuracy of the amount of landings, and the correct assignment of landings to the permittee. Appeals based on hardship factors will not be considered. Appeals must be submitted to the RA postmarked no later than August 21, 2013, and must contain documentation supporting the basis for the appeal. The National Appeals Office will review, evaluate, and render recommendations on appeals to the RA. The RA will then review each appeal, render a final decision on each appeal, and advise the appellant of the final NMFS decision.

(i) *Eligibility appeals.* NMFS' records of snapper-grouper permits are the sole

basis for determining ownership of such permits. A person who believes he/she meets the permit eligibility criteria based on ownership of a vessel under a different name, for example, as a result of ownership changes from individual to corporate or vice versa, must document his or her continuity of ownership and must submit that information with their appeal.

(ii) *Landings appeals.* Determinations of appeals regarding landings data for 2006 through 2011 will be based on NMFS' logbook records, submitted on or before October 31, 2012. If NMFS' logbooks are not available, the RA may use state landings records or data for the period 2006 through 2011 that were submitted in compliance with applicable Federal and state regulations on or before October 31, 2012.

(4) *Transferability.* A valid or renewable golden tilefish endorsement may be transferred between any two entities that hold, or simultaneously obtain, a valid South Atlantic snapper-grouper unlimited permit. An endorsement may be transferred independently from the South Atlantic snapper-grouper unlimited permit. NMFS will attribute golden tilefish landings to the associated South Atlantic Unlimited Snapper-Grouper Permit regardless of whether the landings occurred before or after the endorsement was issued. Only legal landings reported in compliance with applicable state and Federal regulations are acceptable.

(5) *Fees.* No fee applies to the initial issuance of a golden tilefish longline endorsement. NMFS charges a fee for each renewal or replacement or transfer of such endorsement and calculates the amount of each fee in accordance with the procedures of the NOAA Finance Handbook for determining the administrative costs of each special product or service. The handbook is available from the RA. The appropriate fee must accompany each application for renewal or replacement or transfer.

§ 622.171 South Atlantic snapper-grouper limited access.

(a) *General.* The only valid commercial vessel permits for South Atlantic

snapper-grouper are those that have been issued under the limited access criteria specified in the Fishery Management Plan for the Snapper-Grouper Fishery of the South Atlantic Region. A commercial vessel permit for South Atlantic snapper-grouper is either a transferable commercial permit or a trip-limited commercial permit.

(b) *Transfers of permits.* A snapper-grouper limited access permit is valid only for the vessel and owner named on the permit. To change either the vessel or the owner, an application for transfer must be submitted to the RA.

(1) *Transferable permits.* (i) An owner of a vessel with a transferable permit may request that the RA transfer the permit to another vessel owned by the same entity.

(ii) A transferable permit may be transferred upon a change of ownership of a permitted vessel with such permit—

(A) From one to another of the following: husband, wife, son, daughter, brother, sister, mother, or father; or

(B) From an individual to a corporation whose shares are all held by the individual or by the individual and one or more of the following: husband, wife, son, daughter, brother, sister, mother, or father. The application for transfer of a permit under this paragraph (b)(1)(ii)(B) and each application for renewal of such permit must be accompanied by a current annual report of the corporation that specifies all shareholders of the corporation. A permit will not be renewed if the annual report shows a new shareholder other than a husband, wife, son, daughter, brother, sister, mother, or father.

(iii) Except as provided in paragraphs (b)(1)(i) and (ii) of this section, a person desiring to acquire a limited access, transferable permit for South Atlantic snapper-grouper must obtain and exchange two such permits for one new permit.

(iv) A transfer of a permit that is undertaken under paragraph (b)(1)(ii) of this section will constitute a transfer of the vessel's entire catch history to the new owner.

(2) *Trip-limited permits.* An owner of a vessel with a trip-limited permit may
